EDLINS AUCTION BID FORM

INFORMATION ON BIDDING FOR NEW BIDDERS

The prices listed are estimates - you may bid at, above or below the estimates. Lots will be sold at the next bid step above the second highest bid. Note: bids less than 60% of estimate are respectfully declined and will not be entered. Enter the lot number(s) you are interested in on the Bid Form, or on a separate sheet of paper, and the maximum amount you are prepared to pay. Bids are acceptable by mail phone or email. Phone bids should be confirmed in writing. We will purchase the lots for you at the lowest possible price subject to competition from other bidders.

You may bid with complete confidence as the normal Auction practice of the successful bidder only paying one bid step above the second highest bidder will be strictly adhered to. Bids that fall between two bidding steps will be rounded up, to the correct bidding step. Where equal bids are received for the same lot, the first bidder will be awarded the lot. Please note a 22.00% (inclusive of GST) buyers premium is added to the sale price of all lots. Successful bidders will be notified approximately 3-5 working days after the sale. Please write, phone or email us for more information on any lots. Please send in your bids early to avoid disappointment.
